

ASPiH 8th ANNUAL CONFERENCE “**Delivering Quality**” 6th - 8th November 2017 Telford International Centre

The ASPiH conference is aimed at all health professionals who want to learn more about or develop their simulated practice. It's an opportunity to share experiences, innovations and the evidence base for simulation in education and training.

Keynote Speakers

Professor Debra Nestel, Professor of Surgical Education, Melbourne Medical School and Professor of Simulation Education in Healthcare, Monash University

Professor Pamela Kato, Games for Health Expert, P.M Kato Consulting

Dr Makani Purva, Deputy Chief Medical Officer & Director of Simulation Hull Institute of Learning and Simulation

Ms Naomi Morris, HCPC Paramedic, Secretariat Simulations & Training, Fellow of Humanitarian Response, University of Portsmouth

Registration

Please visit: www.aspihconference.co.uk to secure your place.

Early Bird Registration closes on **1st September 2017**.

Accommodation

ASPiH have secured reduced rates for accommodation at the two onsite hotels, the Holiday Inn for £105 and International Hotel for £95 plus the nearby Ramada for £105.
