PEI ANNUAL CADAVER WORKSHOP

OVERVIEW

This **interactive cadaver training course** will take place on Tuesday 14th November at the Pillar Centre of Education in the Mater Misericordiae University Hospital. With the support of the Faculty of Pain, PEI are hosting training for consultants, registrars and nurses in Pain Management who wish to extend their knowledge of Advanced RF therapies and personalised therapy for SCS. The training will consist of a number of workstations, including 2 Cadavers with x-ray imaging, 2 live ultrasound stations with the Butterfly device, a clinical programming session, an interactive Q&A with faculty and presentations on Advanced RF and SCS.

Note: This event is **Free of Charge**
